

# Beach Flag

# NOTICE DE MONTAGE SETUP INSTRUCTION

Assembler les pôles par ordre croissant.

Connect the poles together by pushing the male and female together firmly.

Insérer le visuel en tissu à partir du haut jusqu'au bas du pôle. Attacher l'élastique au crochet.

Feed the flag on to the pole all the way to the end. Make sure you fit the rubber ring to the pole base to keep the shape.

Ouvrir la base en X.

Open the cross shaped base and place on the floor.

Si vous avez une base remplissable, la déposer sur la base en X.

If you have one, place the water bag to stabilize the base.

Insérer le pôle sur la base.

Fit the pole on the base. Make sure it fits firmly and that the bearing is working well.

Si vous avez un pieux, plantez le fermement au sol.

If you have a stake base, push it firmly in the ground.

Insérer le pôle sur la base.

Now you can fit the pole on the base, make sure it fits firmly and that the bearing is working well.
